REQUEST TO TRANSFER SEQUENCE LISTING AND CRF FROM PARENT CASE SER NO
09/620,091 PER 37 CFR 1.821(e)

Commissioner of Patents
PO BOX 1450
Alexandria, VA 22313-1450

Sir/Madam:

The application contains amino acid sequences and thus is subject to the requirements of 37 CFR §§ 1.821 to 1.825. As parent case ser. no. 09/620,091 (allowed), filed July 20, 2001 and entitled the same, contains the same disclosure and sequences, Applicants respectfully ask that per 37 CFR 1.821(e) the listing and CRF provided in that case be used in the instant case. The undersigned avers that to the best of his knowledge the listings and CRF in the parent case correspond identically to each other and with the instant case.

Respectfully submitted,

Edward O. Kreusser, Esq
